New employees will be placed on the appropriate level. New hires can receive an additional 1.2% per year for up to seven years experience per current Board policy at the time of hiring. Maximum amount is the maximum amount a new hire will receive.

Substitute employees will be placed at the minimum level of the job class they are substituting for.

Return to work employee's salaries, hired through our third-party provider or returning to work as a district employee will be reduced by 20%.

This Classified Salary Schedule is proposed to the Board and may be changed by Board action.
